# ESSENTIAL INFORMATION:

## WHERE YOU CAN DRIVE:

You are fully insured if you drive in any of the following countries: Austria, Belgium, Bosnia-Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France (Continental), Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Macedonia (F.Y.R.O.M), Malta, Morocco, Netherlands, Norway, Poland, Portugal, Principalities (Andorra, Liechtenstein, Monaco, San Marino), Romania, Slovak Republic, Serbia-Montenegro, Slovenia, Spain, Sweden, Switzerland, Tunisia, Turkey, United Kingdom (England, Scotland, Wales and Northern Ireland). If you take your vehicle into a country not listed above (and in particular, in the following countries: Albania, Algeria, Georgia, Russia, Ukraine, etc) you shall assume full civil, property and legal liability for any incidents that may occur. Damage to third parties will not be covered by your insurance and Peugeot Open Europe's 24-hour assistance will not be provided. Insurance inclusions and procedures are detailed in the Peugeot Open Europe information booklet provided with your final documentation.

## DRIVER REQUIREMENTS:

To be eligible to lease a Peugeot, regardless of your nationality, you must have your normal residence outside the European Union, be visiting the EU for less than 185 days in a 12-month period, and not be undertaking any form of employment during your stay. Drivers must be over 18 years (no maximum age limit applies) and hold a valid driving licence recognised in the European Union. If you hold a full New Zealand drivers licence, an international drivers licence (in conjunction with your New Zealand licence) is recommended (compulsory in Italy). The leased vehicle may be driven only by the registered driver (Contract Holder) or his/her partner (i.e spouse or legal co-habitant), direct descendants or ascendants, if they qualify for the scheme. Additional drivers may also drive, as long as the Contract Holder is in the vehicle with them and they qualify for the scheme. This law has no effect on the vehicle insurance, which covers all drivers regardless of their relationship to the Contract Holder.

## GPS:

Your GPS will come with software covering all of "Western Europe". GPS vehicles do cost more, but are strongly recommended especially for first time travellers/drivers to Europe.

## MINIMUM/MAXIMUM LEASE PERIOD:

The minimum paid lease period is 17 days, although you can return your vehicle within 17 days without any reimbursement. The maximum lease period is 175 days. Please Note: days are calculated on calendar days, not 24 hour periods.

**BOOKING CONDITIONS:** Sales until 31 March 2010. Valid for collections in 2010. Lonely Planet Guide offer is valid 1 per booking only, while stocks last. Prices are in New Zealand dollars subject to currency fluctuations. For full terms and conditions, please refer to the DTN Drive UK/Europe 2010 brochure.

## BOOKING DEADLINES:

At least 10 days' notice is required for deliveries in Paris (city/airports). Other France locations require at least 15 days notice. For deliveries outside France, at least 21 days' notice is required. For deliveries within the above time-frames, reservations are on a request basis only and subject to the Peugeot Sodexa Order Form, referred to in paragraph B above, being completed and returned to Sodexa within 12-24 hours of confirmation.

## BOOKING DEPOSIT:

A non-refundable deposit of NZ\$250 is required at the time of placing your reservation.

## BOOKING/PAYMENT/ORDER FORM DEADLINES:

Booking form, full payment and the signed Peugeot Sodexa Order Form should be completed and received by our office at least 6 weeks prior to your collection date to ensure your vehicle is registered and available for collection on the requested date. Bookings made within 6 weeks of collection are still possible – refer "Booking deadlines" for urgent booking deadlines and procedures, but will be subject to acceptance at Sodexa's discretion.

## CANCELLATIONS:

Travel insurance is highly recommended as cancellation fees are strictly enforced. Cancellations more than 28 days prior to collection = \$250 fee. Cancellations less than 28 days prior to collection = \$900-\$1800 (depending on whether the vehicle has been registered). Cancellations on the day of collection or "no shows" = \$1800. Any travel agent fees are in addition to these charges.

## BOOKING/PAYMENT/ORDER FORM DEADLINES

All booking requests are subject to availability. Bookings should be made as far in advance as possible and ideally before the end of March to give you the best chance of obtaining the vehicle of your choice. Our booking form must be completed at the time of requesting your vehicle. Full payment and the completed/signed Peugeot Sodexa Order Form, referred to in Paragraph B above, should be received by our office at least 6 weeks prior to your departure from New Zealand, to ensure your vehicle is registered and available for collection on the requested date. Urgent booking requests, within 28 days of collection, must be accompanied with a \$1500 deposit. If a vehicle can be confirmed, the balance of payment and Peugeot Sodexa Order Form must be completed/signed and received by us on the day of confirmation.
