THE GHAN

Travel by train between Adelaide and Darwin and you are embarking on one of the great train journeys of the world. Named after the Afghan cameleers who once traversed this route, The Ghan will take you from one edge of the continent to the other, through the very centre of Australia over three remarkable days. A journey on The Ghan is an incomparable way to travel to the two jewels of Australia's Northern Territory - the Red Centre and the tropical Top End. Marvel at the spectacular Australian landscapes; from the rusty reds of the MacDonnell Ranges surrounding a town called Alice, gateway to Ayers Rock and the Red Centre, then north to Tennant Creek, Katherine and the tropical splendour of Darwin.

INDIAN PACIFIC

Experience the magic of Australia's vast continent on the mighty Indian Pacific. The transcontinental train, is a three day journey from the Pacific Ocean in the East to the Indian Ocean in the West. This epic 4,352km trip from Sydney to Perth provides a spectacular array of backdrops including the spectacular Blue Mountains, the Great Dividing Range, the salt lakes and sand dunes of South Australia, the barren Nullarbor Plains and the Darling Ranges. Marvel as the landscapes change and the diverse wildlife is exposed. Spot kangaroos and a variety of bird life including the Wedge-tailed Eagle the Indian Pacific's emblem. The most likely places to catch a glimpse of the eagle are around Broken Hill and out on the Nullarbor Plain.
